SUBJECT: Meeting of the Senior Interdepartmental Group (SIG)
on East-West Relations, July 7, 1981, 11:00 a.m.

The SIG on East-West Policy convened in the State Department July 7, 1981, Undersecretary Stoessel chairing. Discussion focused on (1) East-West economic relations, (2) the specificity with which the interagency draft treated the subject of allied cooperation, and (3) the adequacy of the draft's projection of US-Soviet relations in the longer term.

At the close of discussion it was decided that a small group of the SIG would convene to resolve differences on these points and report its results to the SIG as soon as possible.
